The Amarok.

100% pickup. 100% premium.

V6

Perfect for off-road.

4MOTION all-wheel drive with two distinct, innovative systems; Selectable and Permanent.

Optimised safety.

Automatic Post-Collision Braking System utilising 17" disc brakes in the front and 16" disc brakes at rear.

Load platform surface usage.

Widest load platform in its class and moving tailgate.

Towing capacity and payload.

Towing load of up to 3.1 tonnes and 1,146kg payload.¹

Exterior design.

Styling bar plus² and up to 20" alloy wheels.³

Interior design.

Intuitive controls and the only vehicle with 'ergoComfort' seats with 14-way adjustment.³

Modern infotainment systems.

Radio and navigation systems with Car-Net mobile online services.

V6 3.0 litre TDI engines.

With a power output of up to 258PS and torque of up to 580 Nm.

Unique drive combinations.

Selectable 4MOTION all-wheel drive with 6-speed manual gearbox. Permanent 4MOTION all-wheel drive with 8-speed automatic gearbox.

Fuel-saving technology.

Including start/stop system.

- 1 Amarok Trendline 3.0 litre V6 TDI 204PS engine, Permanent 4MOTION all-wheel drive with 8-speed automatic transmission.
- 2 Optional at extra cost.
- 3 Standard on Amarok Aventura models and optional on Amarok Highline models.

Please contact your local Volkswagen Commercial Vehicles Van Centre for details of the standard equipment and optional extras available.

More dynamic.

Clear lines and bi-xenon headlights.

The Amarok is eye-catching from any angle, with its wide stance and rugged appearance combined with powerful engines, strong chassis and superb interior styling. The chiselled contours and styling highlights exude quality and style, beautifully complemented by the striking rear design, making it as much at home for the family as it is at work.

Please contact your local Volkswagen Commercial Vehicles Van Centre for details of the standard equipment and optional extras available.

More exclusive.

Stylish cockpit with premium equipment, intuitive infotainment systems and Car-Net mobile online services.

The interior provides a convincing combination of space, high comfort and numerous extras. All Amarok models feature as standard, a dash panel with decorative trim, A4 format storage compartment and a leather trimmed multifunction steering wheel. Depending on your choice of model, the Amarok also includes either the Composition Media DAB+ radio system or the Discover Media navigation system.

'App-Connect' is available in conjunction with the Composition Media radio system or the Discover Media navigation systems. 'App-Connect' comprises MirrorLink™, CarPlay™ and Android Auto™. The availability of these technologies may vary depending on the country in question. Please note that 'App-Connect' is not currently supported by every mobile telephone on the market. Volkswagen is working closely with major smartphone producers to promote broader compatibility for 'App-Connect'.

Please contact your local Volkswagen Commercial Vehicles Van Centre for details of the standard equipment and optional extras available.

More reassuring.

Equipped with the Automatic Post-Collision Braking System and electronic trailer stabilisation system as standard.

Safety on almost any terrain: The Amarok is the only pick-up in its class to come with an Automatic Post-Collision Braking System as standard. What's more, the Amarok also features 17" brake discs at the front and 16" brake discs in the rear. Add to that, the trailer stabilisation system which provides the best possible protection against snaking trailers, and it all provides even further peace of mind.

For more information please refer to the Infotainment & assistance systems section.

4MOTION all-wheel drive, off-road ABS and Hill Descent Assist.

The Amarok is the only pickup in its class to offer drivers the **luxury of combining the Permanent 4MOTION all-wheel drive with an 8-speed automatic gearbox**. The automatic gear-change system increases driving comfort considerably, particularly on challenging terrain or in hilly regions.

A silver Volkswagen Amarok pickup truck is shown from a front-three-quarter perspective, driving on a dirt road in a desert canyon. The truck is kicking up dust, suggesting motion. The background features steep, layered rock formations under a warm, hazy sky. The truck's front grille prominently displays the VW logo and 'V6' badge, and the license plate area reads 'Amarok'. The overall scene conveys a sense of adventure and ruggedness.

The Amarok is the only pickup in its class to offer drivers the **luxury of combining the Permanent 4MOTION all-wheel drive with an 8-speed automatic gearbox**. The automatic gear-change system increases driving comfort considerably, particularly on challenging terrain or in hilly regions.

Selectable 4MOTION all-wheel drive with a 6-speed manual gearbox, is also available on Trendline models and proves its strength through the open terrain.

Please contact your local Volkswagen Commercial Vehicles Van Centre for details of the standard equipment and optional extras available.

The logo for Volkswagen's 4MOTION all-wheel drive system. It features a stylized '4' in a red and white square, followed by the word 'MOTION' in a bold, black, sans-serif font, all contained within a metallic-looking border.

Please contact your local Volkswagen Commercial Vehicles Van Centre for details of the standard equipment and optional extras available.

Ready for the challenge.

The Amarok's innovative Selectable and Permanent 4MOTION all-wheel drive systems enable sure-footed progress when you encounter rain, snow, sand, mud or gravel. They're designed to maintain traction while off-road, as well as offering improved road holding and increased safety in poor surface conditions.

01 Selectable 4MOTION all-wheel drive. This allows you to switch between high and low gear ranges and rear or all-wheel drive. In all-wheel drive mode, power is distributed evenly between the front and rear axles to ensure the best possible traction.

Permanent 4MOTION all-wheel drive (not shown). This 4x4 drive system with a self-locking Torsen central differential is unique in the pickup segment and provides a balanced 40:60 distribution for all on-road and off-road tasks.¹ This vehicle also comes into its own on the road by significantly increasing traction when cornering.

Mechanical differential lock (not shown). The Amarok is also available with an optional mechanical differential lock which helps provide ideal traction on sandy and slippery terrain. Following activation, both of the rear wheels are powered with even power and even speed.

Hill Hold Assist (not shown). This prevents the vehicle from rolling back on inclines and simplifies hill starts.

1 The distribution varies depending on the surface.

Please contact your local Volkswagen Commercial Vehicles Van Centre for details of the standard equipment and optional extras available.

03 Gradients. The Amarok handles inclines up to 45°. ¹

05 Traverse gradient. The broad wheelbase of the Amarok provides enormous stability even when traversing slopes with a 50° incline.^{1, 2}

 **06 Hill Descent Assist.** Allows you to drive down slopes in a safe, controlled way, thanks to the engine management's ability to govern the engine speed, and apply the brakes when driving off-road if necessary. The vehicle's speed is maintained at a constant crawling pace.

Please note: these figures result from static calculations.
The illustrations on these pages can only be regarded as a general guide.
Please contact your local Volkswagen Commercial Vehicles Van Centre
for details of the standard equipment and optional extras available.

More robust.

Sturdy ladder frame design and an impressive towing capacity of up to 3.1 tonnes.

Exceptionally robust and with a premium finish, the Amarok is built to impress, even in heavy use. A warp-resistant ladder frame, which guarantees excellent body stability, and special leaf springs allow for a maximum payload of up to 1,146kg¹ and a trailer load of up to 3.1 tonnes.

Larger.

The widest load platform in its class,
allowing Euro pallets to be loaded crosswise.

No other pick-up provides so much space between the wheel housings. The loading width of 1,222mm even enables Euro pallets to be loaded crosswise. The spacious 2.52m² cargo area features some impressive dimensions – such as the 508mm high side panels and the low loading sill height of 780mm.

Please contact your local Volkswagen Commercial Vehicles Van Centre for details of the standard equipment and optional extras available.

01 Load platform. The load platform in the Amarok is precisely 1,222mm across between the wheel housings – this is unique in its vehicle class and allows Euro pallets to be loaded across the platform. If necessary, the tailgate with a 200kg payload can be used as an extension of the load platform. When loaded to capacity, the cargo area offers space for 1.28m³ of bulk goods on a surface of 2.52m².

TL **HL** **AV**

02 Load platform lighting. Integrated lights illuminate the load platform, allowing you to load your cargo in the dark. In addition, it also features the integrated third brake light.

TL **HL**

03 Load compartment protective coating. The UV-resistant special coating in anthracite provides excellent protection against mechanical and chemical wear.

TL **HL** **AV**

04 12V sockets (not shown). Four 12V sockets are available, including one in the cargo area.

Roll resistance-optimised tyres (not shown). All Amarok models are equipped with fuel-conserving summer tyres as standard. These are manufactured from a special rubber compound which minimises deformation from driving. This can reduce fuel consumption depending on the speed and driving style.

Please contact your local Volkswagen Commercial Vehicles Van Centre for details of the standard equipment and optional extras available.

Interior and comfort.

01 'Premium' colour multifunction display. It comes with a high-resolution 3D colour display and animated menu guidance. Optional as part of the Navigation Tech package on Amarok Highline models. HL AV

Multifunction display plus (not shown). It displays up-to-date information, such as remaining range, outside temperature and average fuel consumption. TL HL

02 Leather-trimmed multifunction steering wheel with paddles. It gives you excellent grip and is extremely user-friendly. The radio or navigation system and your mobile phone can be controlled using the buttons. Ergonomic paddles allow you to change gears for a sportier driving style. TL HL AV

03 'Climatronic' air conditioning. This system offers 2-zone temperature control for the driver and front passenger, manual air recirculation and an air quality sensor. Depending on the intensity of the sun's rays and the outside temperature, the air conditioning adds more or less cool air accordingly. TL HL AV

Auxiliary water heater (not shown). It enables you to pre-heat the engine while also heating up the interior quicker, or pre-heating it before you get in. The control unit is built into the roof console. Of course, you can also activate and deactivate the auxiliary water heater using the handy remote control. HL

TL HL AV Standard Optional at extra cost
TL | **Trendline** HL | **Highline** AV | **Aventura**

Infotainment.

01 Voice control. Operate the telephone, navigation and audio functions without taking your hands off the steering wheel. This function allows you to call up virtually all of the menus and notifications on the radio or navigation system display using voice commands.

TL HL AV

Electronic voice enhancer (not shown).¹ This function makes sure that passengers in the rear seats can hear the driver. The voice input is recorded through a hands-free microphone, amplified, and then transmitted over the loudspeaker in the rear.

TL HL AV

02 Composition Media DAB+ radio system. The Composition Media DAB+ radio system features a 6.33" touch-screen with proximity sensor, USB port, Bluetooth®, SD card slot, AUX-IN interface, MP3 and WMA compatible CD drive, 4 x 20 watt output with six speakers and a dual tuner with PhaseDiversity for optimum radio reception. 'App-Connect' guarantees the best possible connection.²

TL HL

03 'App-Connect'.² With this software, selected apps from your smartphone can be used while driving. 'App-Connect' supports 'MirrorLink™', Apple 'CarPlay' and 'Android Auto'.

TL HL AV

04 Discover Media navigation system. In addition to the Composition Media features, it also includes a second SD card slot and an SD card with map data for Europe. Volkswagen MapCare provides access to free updates for the installed maps. 'Guide & Inform' is an extension of the Discover Media navigation system and retrieves the latest information from the internet. If, for instance, a traffic jam is building, your chosen route will be changed in response to this. You can also choose to display the cheapest petrol station nearby, find car parks, get updates on the latest news and weather and much more. 'Guide & Inform' can be activated in just a few steps and used free-of-charge for three years.³

TL HL AV

 Standard  Optional at extra cost
TL | **Trendline** HL | **Highline** AV | **Aventura**

1 The electronic voice amplification is included in the Composition Media radio system and Discover Media navigation system.
2 Compatible with 'MirrorLink™', Apple 'CarPlay' and 'Android Auto'. Please ensure that your end device is compatible with 'App-Connect'. 'App-Connect' apps are operated exclusively through your mobile phone. Please note the conditions of your contract with regard to the data and Internet connection. Further information is available at www.volkswagen-commercial-vehicles-carnet.com
3 Only available in conjunction with the Discover Media navigation system. From the fourth year, usage carries an extra charge. In order to establish an Internet connection, the customer will require their own mobile wireless router (e.g. a smartphone with Hotspot capability) or a suitable USB dongle that works with their own SIM card with an internet data tariff.

Please contact your local Volkswagen Commercial Vehicles Van Centre for details of the standard equipment and optional extras available.

Perfectly connected.

The future of mobility is now the present – and available upon request in your Volkswagen commercial vehicle. The mobile online services enable you to enhance the Amarok, transforming it into an Internet-based information centre. ‘App-Connect’ enables you to conveniently use and control content on your smartphone even while driving.

‘App-Connect’.¹

Experience infotainment on the road and integrate your smartphone or tablet into your vehicle with ‘App-Connect’ via a USB port. ‘App-Connect’ mirrors compatible apps from your smartphone on the radio or navigation system’s touchscreen display. Using ‘Android Auto’, Apple ‘CarPlay’ or ‘MirrorLink’™, you can comfortably control certain apps via the touchscreen display while driving.

You can use the following Volkswagen apps via ‘MirrorLink’™ while driving: ‘Drive & Track’, ‘Shared Audio’, ‘Call & Remind’ and ‘My Guide’. More information is available at www.volkswagen-vans.co.uk/about-us/technology/car-net

‘Guide & Inform’.²

If your vehicle is fitted with an optional navigation system, you can activate the online-based ‘Guide & Inform’ services. ‘Guide & Inform’ is available free of charge for the first three years after registration. You can utilise two types of services: services that support you directly in the vehicle and services you configure from home - either via the customer portal or via the Car-Net app. To use ‘Guide & Inform’ in the vehicle, simply generate a hotspot with your smartphone.

Well informed in your vehicle.

‘Guide & Inform’ keeps the driver up to date: with online-based traffic information, fuel station prices, available parking spaces nearby and a Google POI search in the navigation system.

Online Traffic Information

Fuel Info

Parking Info³

Online Traffic Information

Online Route Import

Online Destination Import

My POIs

Vehicle Health Report

Time Manager

Well organised from home.

Using the customer portal, you can set-up online routes, destinations and POIs and then import them into the navigation system. The Car-Net app also synchronises calendar entries and driving destinations.

Registration - A few simple steps:

- 1

Create your personal account at www.volkswagen-car-net.com/portal/en_GB/web/gb/login
- 2

Enter your vehicle identification number (VIN).
- 3

You receive an 8 digit registration code.
- 4

Use your smartphone to create a mobile hotspot or use the Volkswagen CarStick.
- 5

Enter the registration code into the navigation system.

1 ‘App-Connect’ is available in conjunction with the Composition Media radio system or the Discover Media systems. ‘App-Connect’ comprises MirrorLink™, CarPlay™ and Android Auto™. The availability of these technologies may vary depending on the country in question. Please note that ‘App-Connect’ is not currently supported by every mobile telephone on the market. Volkswagen is working closely with major smartphone producers to promote broader compatibility for ‘App-Connect’. 2 The use of ‘Guide & Inform’ mobile online services is only possible with the optional Discover Media system. You will also require a mobile device (e.g. smartphone) that is capable of acting as a mobile wireless hotspot, which must be paid for separately. The Guide & Inform services are only available with an existing mobile network contract or one to be concluded separately for this purpose between you and your mobile phone network provider, and only within the respective mobile phone network coverage. Depending on your mobile phone tariff, receiving data from the Internet may incur additional charges, particularly if you are using the phone abroad (e.g. roaming charges). Due to the amount of data needed when using Car-Net services, we strongly recommend signing up to a flat rate data plan with your mobile phone provider. Use of Car-Net is governed in a separate agreement concluded online with Volkswagen AG. After receiving possession of the vehicle, the customer has 90 days in which to register the vehicle at www.volkswagen-car-net.com/portal/en_GB/web/gb/login. Availability of Car-Net Services may vary depending on the country in question. These services are available for the duration of the contract term agreed, and may be subject to changes in terms of content during the contract period. More detailed information on Car-Net is available at www.volkswagen-vans.co.uk/about-us/technology/car-net and from your Volkswagen Partner; contact your mobile network provider for information on your mobile network tariff conditions. 3 Available for car parks with suitable technical infrastructure. There is currently no information available regarding entry heights for the car parks in question. Please contact your local Volkswagen Commercial Vehicles Van Centre for details of the standard equipment and optional extras available.

1 Fuel consumption and CO₂ figures are obtained under standardised EU test conditions. This allows a direct comparison between different manufacturer models but may not represent the actual fuel consumption achieved in ‘real world’ driving conditions. In addition to the fuel efficiency of a vehicle, driving behaviour as well as other non-technical factors (such as environmental conditions, including weather and traffic) play a role in determining a vehicle's fuel consumption and CO₂ emissions. More information is available at www.dft.gov.uk/vca. Other factors including Gross Vehicle Weight, trimline, extra equipment, options and accessories (wheels, tyres, etc.) may change vehicle parameters such as the weight, rolling resistance of the tyres and the aerodynamics and thus influence the fuel consumption, CO₂ emissions and driving performance values. Comparisons may be unreliable.

Fuel consumption and CO₂ emissions data provided within the brochure are for the model year 2018 vehicle. We are currently changing over to model year 2019 vehicles, which are subject to new tests and rules. If you order a vehicle now, it is likely to have different official fuel consumption, CO₂ emissions data and specification to that shown in the brochure. For more information, please speak to your local Volkswagen Commercial Vehicles Van Centre.

Cost of your vehicle

Deposit
As little as one monthly repayment

Monthly repayments
Spread across 18 to 49 months

Optional final payment
You have three choices at the end of your agreement

Own
Hire

Solutions Personal Contract Plan

Not sure if you want to own or hire? Make the decision later.

Pay monthly payments for the length of your agreement. At the end you can decide to keep (once all payments have been made), upgrade or return the vehicle.

Cost of your vehicle

Deposit
As little as one monthly repayment

Repayments
Spread across 12 to 60 months

Own

Hire Purchase

Make all the regular monthly payments. At the end the vehicles is yours.

Cost of your vehicle

Deposit
As little as one monthly repayment

Rental repayments
Spread across 12 to 48 months

Final ‘balloon’ repayment

Own

Lease Purchase

Make lower monthly payments by deferring an amount until the end. Once paid the vehicle is yours.

Cost of your vehicle

Initial rental
As little as one rental repayment

Rental repayments
Spread across 12 to 60 months

Hire

Contract Hire

Pay fixed monthly rentals to hire the vehicle. Look after it so at the end you can return it hassle free.

Cost of your vehicle

Initial rental
As little as one rental repayment in advance

Rental repayments
Spread across 12 to 60 months

Hire

Finance Lease (full pay out)

Pay monthly rentals to hire the vehicle. At the end you have two options. Sell the vehicle and receive a percentage of the sale proceeds. Or retain the use of your vehicle by paying a reduced annual rental.

Cost of your vehicle

Initial rental
As little as one rental repayment in advance

Rental repayments
Spread across 12 to 48 months

Final ‘balloon’ repayment
You have two options at the end of your agreement

Hire

Finance Lease (balloon repayment)

Pay monthly rentals to hire the vehicle. At the end you have two options. Sell the vehicle to settle the outstanding amount and receive any excess sale proceeds. Or pay the ‘balloon’ payment and retain the use of your vehicle by paying a reduced annual rental.

Finance subject to status. Available to 18s and over in the UK only. Terms and Conditions apply. Volkswagen Commercial Vehicle Financial Services.

Service & warranties.

Finance and insurance.¹

When it comes to paying for your van, we’ve got options including Contract Hire and Finance Lease, or Hire Purchase. We can also offer you competitive insurance.

A choice of packages.²

Whether you prefer to lease your vehicles, with none of the concerns of ownership and the freedom to change models easily, or purchase outright to own the vehicle, we’re here to help you consider your options.

You can go flexible, by choosing a payment plan that suits your finances, with options to reduce your monthly costs and your repayment period. Or choose a fixed monthly price that allows you to budget confidently for the longer term.

You can even include your road tax and servicing costs to arrive at one simple, all-inclusive payment. For more information, pick up a finance brochure, or ask at your Van Centre.

Volkswagen insurance.

Volkswagen Commercial Vehicles Insurance³ provides cost-effective and comprehensive motor insurance³, as well as gap insurance⁴, which helps replace your vehicle and protect you from any financial shortfall if it’s written off.

Insurance benefits include:

- Complimentary 5-day drive away insurance cover.
- All repairs performed by approved repairers.
- Volkswagen Genuine Parts[®] used on all repairs.
- Courtesy vehicle provided during repair following an accident (subject to availability).
- Cover for breakage and damage to glass.
- In-vehicle personal belongings cover (up to £250).
- Vehicle recovery.
- 90-day European Union cover.

For more information about our motor insurance call: **0345 877 6355** (lines open 9am–6pm Monday–Friday) or visit: **insurewithvwc.co.uk**

Servicing and support.

We’re here to keep you moving, with our range of three award-winning⁵ servicing and maintenance options, as well as free Roadside Assistance. Some exclusions apply. For more detail, please visit **www.volkswagen-vans.co.uk/aftersales**.

Pay monthly.

This option is available for vehicles that are less than 12 months old and have covered less than 10,000 miles. It makes budgeting easier by splitting the cost of servicing into fixed monthly payments – whether you want Service only; Service and Maintenance; or Service, Maintenance and Tyres.

Pay upfront.⁶

If you can pay for more than one service upfront, we’ll help by reducing your costs. Buy two upfront and you’ll receive one interim and one full service at a discounted rate. Buy four and you’ll receive two interim and two full services, with your next MOT also included.

Pay on demand.

If you’re looking for freedom and flexibility with your servicing, it’s good to know we’re ready when you are. So with our third option, you can choose to pay for your services as and when you need them, with our National Service Pricing. Ask your Van Centre for an up-to-date pricing guide.

Roadside Assistance.

We understand the need to keep you mobile. That’s why all new vans come with three-year, unlimited mileage roadside cover. Should the unexpected happen, one call gets you straight through to a team trained to help you through any breakdown or accident. Supporting you every day will be a team of vehicle technicians, fully-trained by Volkswagen and carrying the latest diagnostic equipment, specialist tools and parts.

Assistance benefits include:

- Assistance at home, by the roadside or place of work.
- Recovery to your preferred location.
- Onward travel, for you and your cargo.
- Cover 24 hours a day, 365 days a year.
- Free cover for three years (on new vehicles).
- Unlimited mileage.
- European cover.
- Option to extend cover beyond three years.

Warranties.

You can count on us long after you purchase your vehicle, thanks to its comprehensive three-year, 100,000 mile warranty. While your vehicle is under warranty, we’ll fix any defect in manufacture or workmanship free of charge, even if you purchase and service the vehicle at different Van Centres. Some exclusions apply and the vehicle must be cared for using the guidance in your owner’s manual. For more detail, please visit **www.volkswagen-vans.co.uk/aftersales**.

Extended warranty.

You can also extend your warranty beyond the three-year, 100,000 mile period, choosing either Comprehensive or Major Component cover, as a one-off or monthly payment. For more detail of cover levels, along with terms and conditions, please visit **volkswagencvwarranty.co.uk** where you’ll also be able to obtain a quote and purchase an extended warranty.

Paint and body warranty.

Your vehicle’s exterior paintwork is covered against manufacturing defects for a period of three years, while its body sections and panels are covered against rusting through from the inside for 12 years. Some exclusions apply and the vehicle must be cared for using the guidance in your owner’s manual.

The Van Centre network.

Our **dedicated Van Centre network** is at the core of everything we do and is always there to help. As a separate brand within the Volkswagen Group, it makes sense to make use of your nearest Van Centre – it’s full of experts who understand your vehicle better than anyone else and can help you to get the most out of it.

Over **70 Van Centres** and **24 Authorised Repairers**, means you’re only around 45 minutes on average from our door.

1 Volkswagen Commercial Vehicles Insurance and Volkswagen Commercial Vehicle Financial Services are trading names of Volkswagen Financial Services (UK) Limited, Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR, which is authorised and regulated by the Financial Conduct Authority (FCA). Registered in England and Wales No. 2835230. Volkswagen Financial Services (UK) Limited financial services register number is 311988.

2 An offer of finance depends on certain conditions. Finance subject to status. Available to 18s and over. Terms and conditions apply. Volkswagen Commercial Vehicle Financial Services.

3 Volkswagen Commercial Vehicle Insurance is arranged by U K Insurance Business Solutions Limited and is underwritten by U K Insurance Limited. U K Insurance Business Solutions Limited is authorised and regulated by the Financial Conduct Authority and U K Insurance Limited is authorised by the Prudential Regulation Authority and regulated by the Financial Conduct Authority and the Prudential Regulation Authority.
