

JAGUAR F-PACE

SPECIFICATION AND PRICE GUIDE
OCTOBER 2019

THE CONCEPT OF F-PACE

F-PACE is inspired by the acclaimed C-X17 concept vehicle. It takes the pure Jaguar DNA of legendary performance, handling and luxury. Then it adds space and practicality.

The engine range includes the 2.0 litre 4-cylinder 250PS and 300PS Turbocharged Ingenium Petrol engines and the 2.0 litre 4-cylinder 240PS Twin Turbocharged Ingenium Diesel engine. Or choose the 2.0 litre 4-cylinder 163PS Turbocharged Ingenium Diesel engine.

F-PACE's bold personality can be accentuated with a choice of special editions. Chequered Flag lends itself to Jaguar's rich racing history, with assertive exterior styling and an interior derived from R-Sport. For eye-catching design that is sure to stand out from the crowd, 300 SPORT highlights F-PACE's sporting prowess. Its distinctive exterior accents complement unique interior detailing.

For the ultimate in SUV performance, Special Vehicle Operations has created an F-PACE that can roar to 60mph in a thrilling 4.1 seconds. The pulse-quickenning 5.0 litre 550PS Supercharged Petrol engine is exclusive to the pinnacle of the F-PACE range, F-PACE SVR.

F-PACE is a performance SUV that combines maximum driving exhilaration with efficiency. All enhanced by technologies that keep you safer, connected and entertained. F-PACE is a Jaguar for you, a Jaguar for your family.

(1) Retail and OTR prices shown are effective from October 2019 and are based on the standard wheel fitment. (2) The figures provided are NEDCeq calculated from official manufacturer's WLTP tests in accordance with EU legislation. For comparison purposes only. Real world figures may differ. CO₂ and fuel economy figures may vary according to wheel fitment and optional extras fitted. NEDCeq are figures calculated using a government formula from WLTP figures equivalent to what they would have been under the old NEDC test. The correct tax treatment can then be applied.

The 'On the Road' retail price includes items such as delivery to Retailer, Vehicle Excise Duty, Vehicle First Registration Fee, estimated cost of Number Plates and VAT (at 20%).

IMPORTANT NOTICE

Jaguar Land Rover Limited is constantly seeking ways to improve the specification, design and production of its vehicles and alterations take place continually. While every effort is made to produce up-to-date literature, this brochure should not be regarded as an infallible guide to current specifications, nor does it constitute an offer for the sale of any particular vehicle. Distributors and Retailers are not agents of Jaguar Land Rover Limited by any express or implied undertaking or representation. Comparisons are based on manufacturer's own data and testing prior to publication.

COLOURS

Print and online colours are representative only.

JAGUAR GEAR ACCESSORIES

All Jaguar Gear Accessories fitted by a Jaguar Retailer within one month or 1,000 miles (which ever occurs first) of the handover of a new registered vehicle will benefit from the same warranty terms and period of cover as the vehicle warranty. Accessories purchased outside of these parameters will be subject to a 24 month unlimited mileage warranty. All Jaguar Gear Accessories are rigorously tested to the same exacting standards as those applied to our vehicles. Performance in extreme hot and cold temperatures, corrosion resistance, impact and airbag deployment highlight some of the exhaustive product testing carried out to ensure accessories are both durable and importantly, continue to comply with current legislation. Some of the accessories featured are not available on all models. Please consult your nearest Jaguar Retailer for more information.

All our accessories are designed to be an integral part of Jaguar vehicles. While many items such as roof carriers are simple to fit, some products require specialist tools and diagnostic equipment to ensure correct integration with the vehicle structure and electrical systems. These products vary from market to market, please consult your Jaguar Retailer who will be pleased to advise you on current specifications and any query you may have.
